Wire Frame

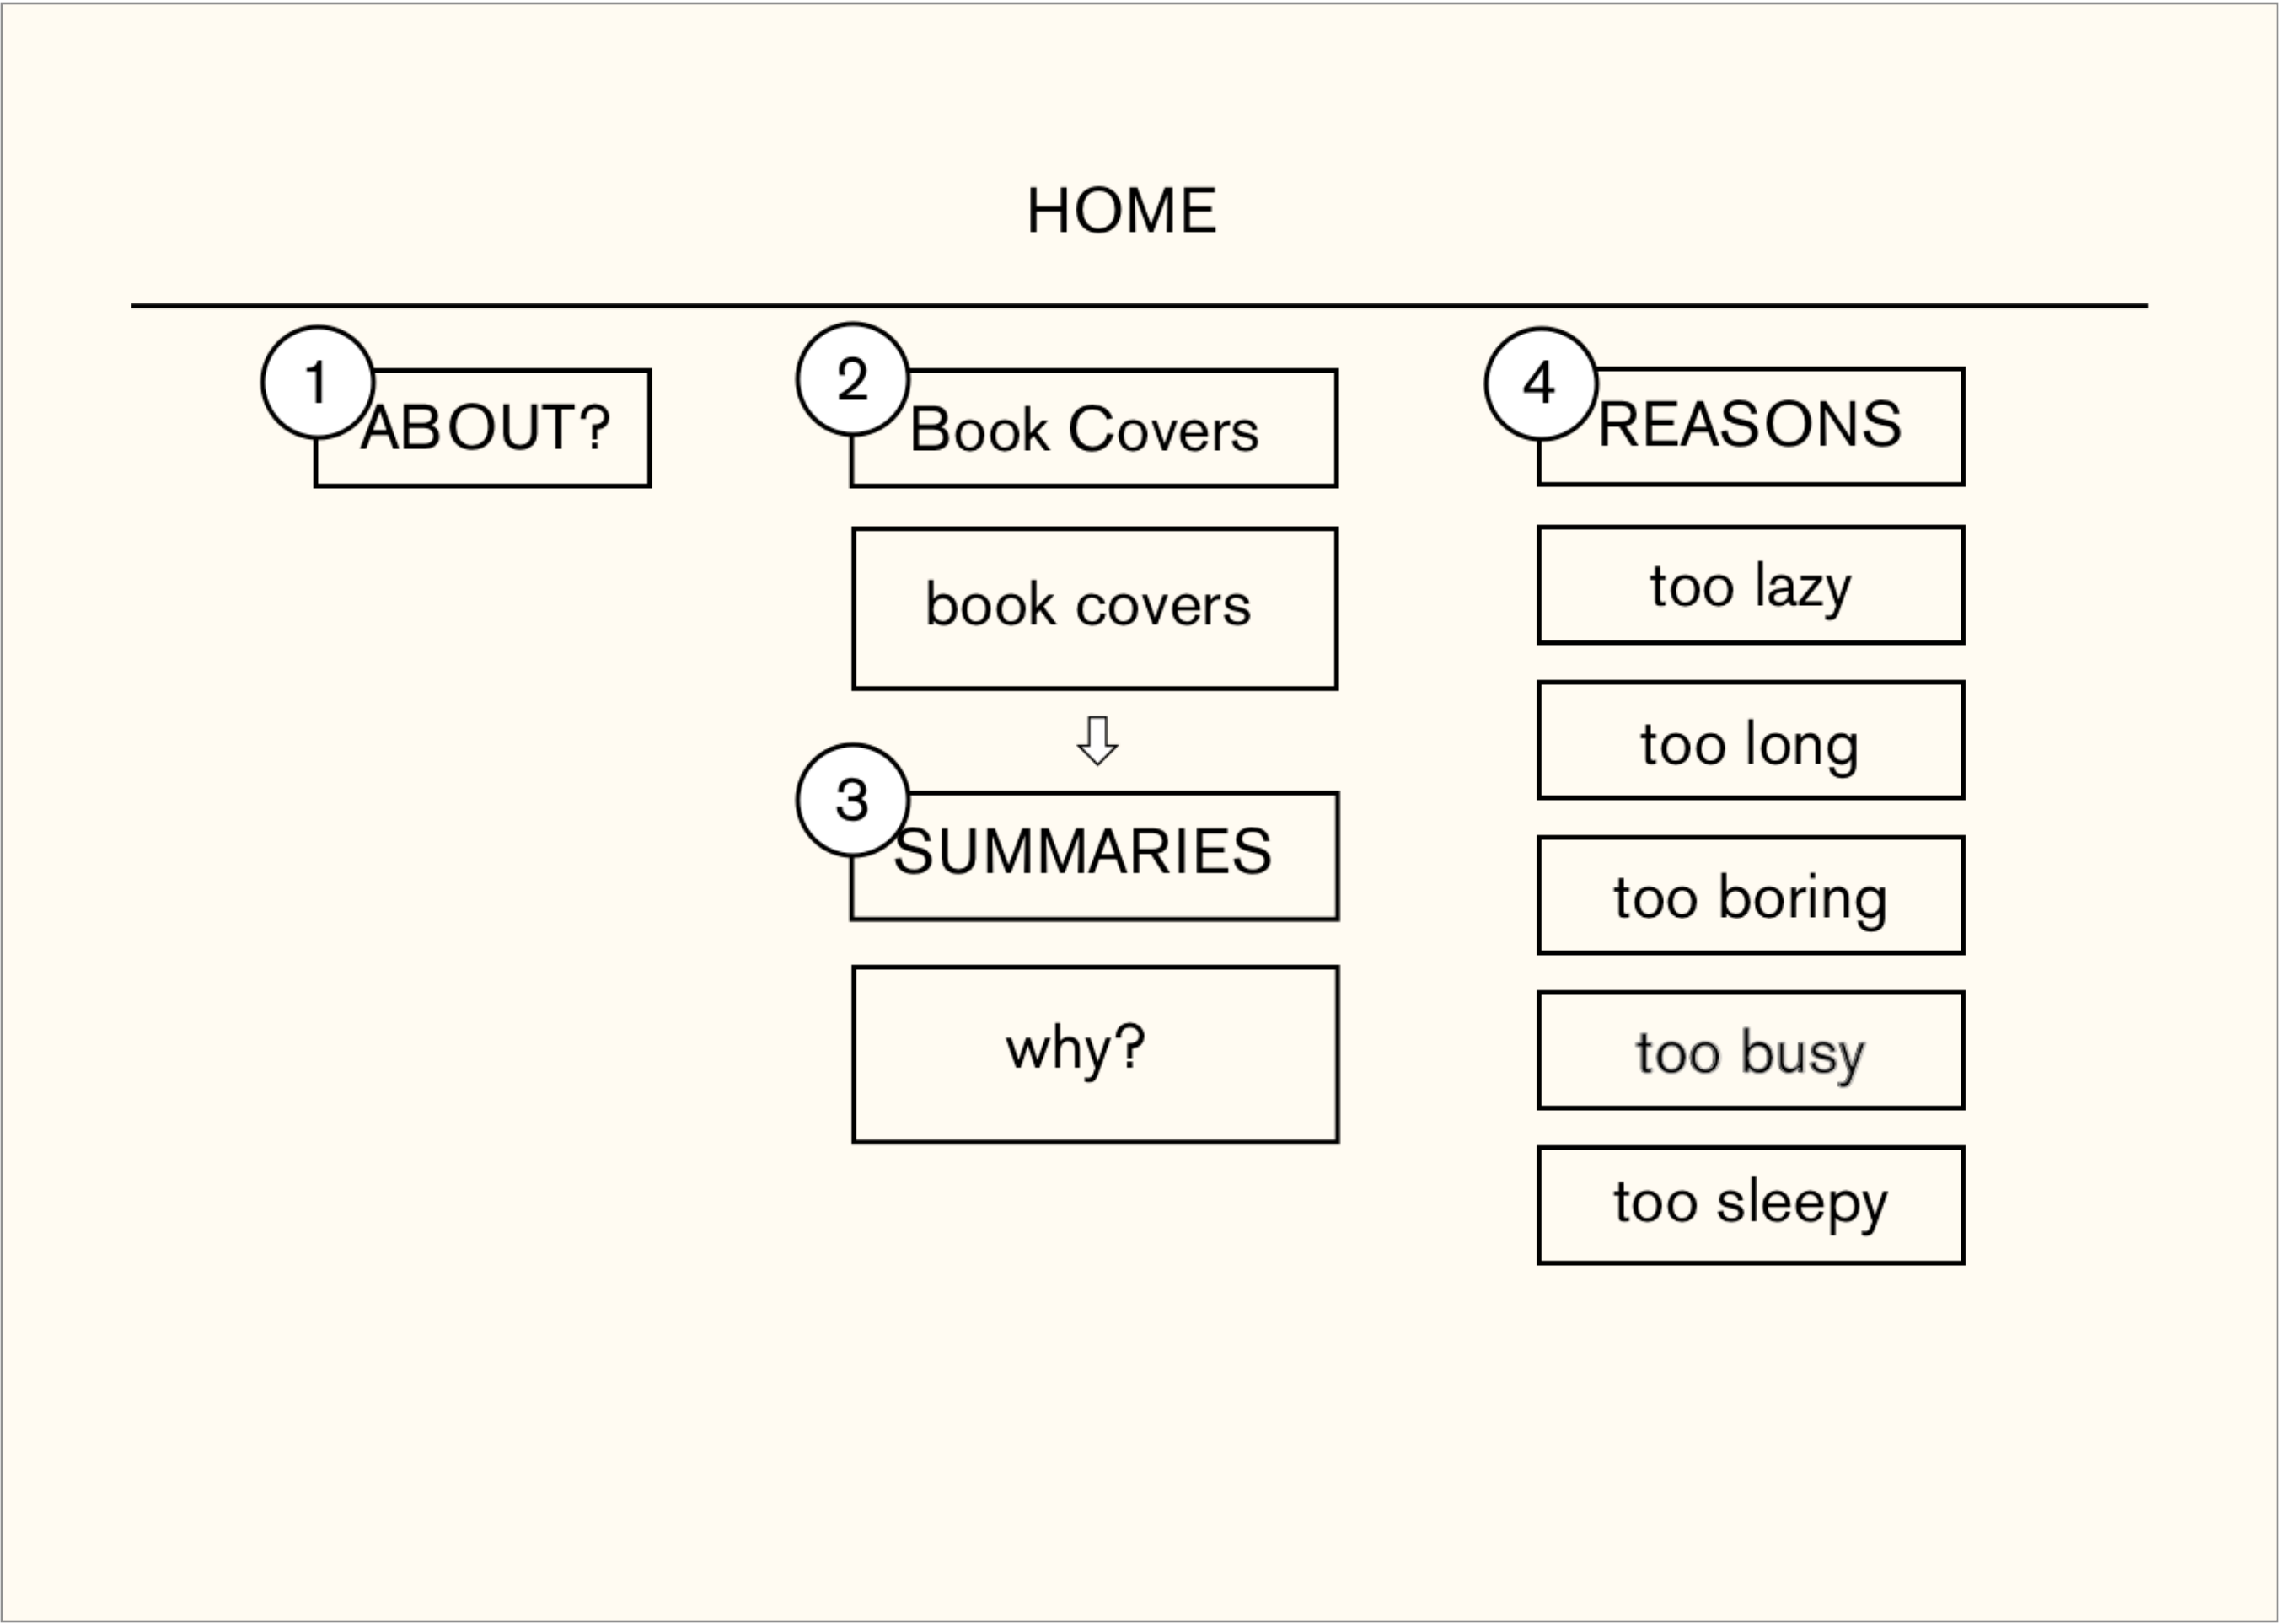

Very simple website.
The navigation is on the top along with the Home button.

1. **About:** not sure if I need an About page. Pretty clear what the site is about.

2. **Book Cover:** very simple, uniform look to all the book covers. Title & Author on cover

3. **Summaries:** a short paragraph of why I didn't read the books. Also has: publisher, number of pages, purchased date

4. **Reasons:** for reading book, drop box

Typestyles

- Very clean basic font
- One typesize for every-thing on the page for a very uniform look
- Hover/selected type white background

H1, Navigation, Body
Akzidenz-Grotesk Std
Regular, 40px, 50 line spacing

2. **Drop down** menu: hovered and it turns white

4. **Vertical scroll**

5. **Books** all shown on homepage

Problem: too large?
70-100 books.

Interior-1

1. **Same book cover**

as home page

2. **Reason:** linked to the book

3. **Arrows:** to navigate to previous/next page

- paragraph explaining why I didn't read the book

Other parts about book:

- Publisher
- Number of Pages
- Date of Purchase
- Genre
- ISBN Number

Problem: too simple?

About

2Too Lazy

1

A Series of
Unfortunate Events:
The Bad Beginning

Lemony Snicket

I had these books ever since I was about ten. I watched the movie, and recently watched the Netflix show but still haven't picked it up to read. Lazy.

Number of Pages: 162
Publisher: Harper Collins
Purchased: 2010

Interior-2

1. **Erasing** affect to reveal book cover

- **Same book cover** as home page

- **Reason:** linked to the book

- **Arrows:** to navigate to previous/next page

- paragraph explaining why I didn't read the book

Other parts about book:

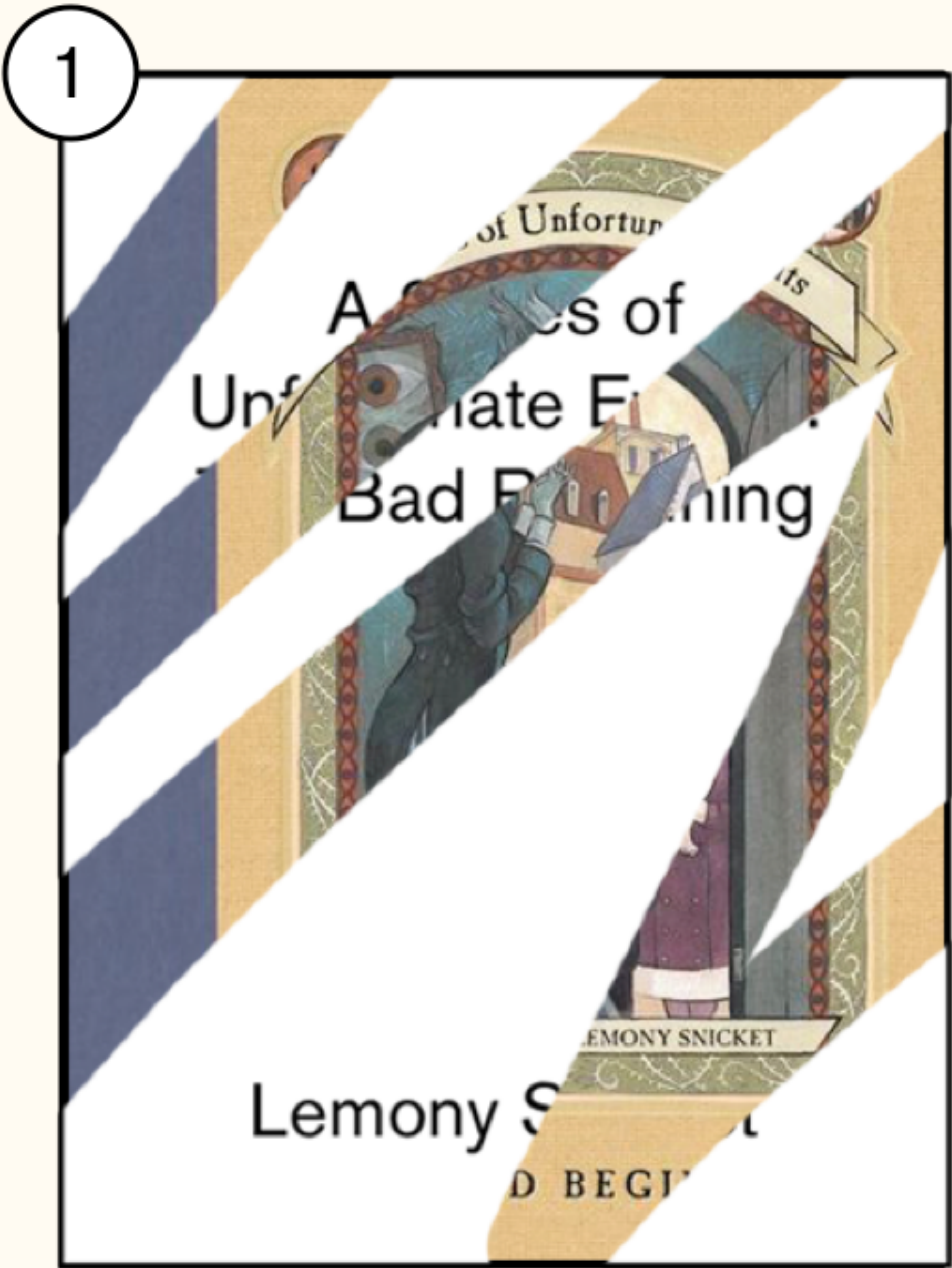

- Publisher
- Number of Pages
- Date of Purchase
- Genre
- ISBN Number

Problem: erasing affect?

About

Reasons ▼

This is an archive of most of the book I have always wanted to read but never did. There is a summary written about each book from what I think the book will be about from reading just the first chapter.

Phone- Home 1

- Book cover: click, background turns white
- Reasons: drop box
- Vertical Scroll

- 1. Problem: too large
- 2. Problem: too crowded
